We have included in the celebration list those individuals who graduated in either January or August of 1950, those who attended Tucson High with us but did not graduate with us, and anyone else who would like to join us. This is definitely not a closed celebration! As of April 1, 2005, we have around 500 individuals on our mailing list, 183 individuals on our missing list, and 145 individuals on our deceased list. Of the 500 individuals on the mailing list, 240 are currently living in the Tucson area (tomorrow that number may change--we move around fast), 259 live in 34 states, and 1 lives in Canada.
